Family Walk for Haiti's Children

Sunday, June 6th, 2010 at 2pm

We are encouraging you and your family to return to the museum's beautiful grounds for a one mile (you can do it!) walk. Your ticket for Saturday night includes admittance to this event. All other families are asked to donate \$5.00 to participate. After the walk, we will have an art activity for the children along with snacks. It should be great fun and it will give our children an opportunity to be of help to Haiti's children.

Like many of you, we have watched the terrible images after the earthquake in Haiti. More than 80% of Haitians live below the poverty level on less than \$2.00/day. To witness their daily struggle compounded by the earthquake is even more heartbreaking. This event is a weekend long benefit for our brothers and sisters to support the long-term recovery in Haiti.

ART CREATION FOUNDATION FOR CHILDREN

Art Creation Foundation for Children is a non-profit arts organization created for education and personal growth of children in need in Jacmel, Haiti. We are a grassroots project with realistic goals. We can not change the world. We CAN, however, change the lives of the children we serve.

LES P'TITS TRÉSORS SCHOOL

Les P'tits Trésors School located in Ruelle Waag, Port-au-Prince Haiti, was established over ten years ago. Specializing in the Montessori Method of education, Les P'tits Trésors emphasizes self-directed learning and tactile discovery by using a variety of educational materials, which most schools in Haiti lack. The school strives to provide each child with the tools necessary to reach his/her greatest potential through constant support and encouragement.

PARTNERS IN HEALTH

The PIH Vision: Whatever it takes. At its root, our mission is both medical and moral. It is based on solidarity, rather than charity alone. When a person in Peru, or Siberia, or rural Haiti falls ill, PIH uses all of the means at our disposal to make them well—from pressuring drug manufacturers, to lobbying policy makers, to providing medical care and social services. Whatever it takes. Just as we would do if a member of our own family—or we ourselves—were ill.
