

## Create lasting memories on a “Grandtour”

Join us for a day of fun just for grandparents and grandchildren! Begin with a fascinating guided tour of our collections, including Howard Pyle’s glorious paintings of pirates – which served as inspiration for the *Pirates of the Caribbean* movies – and the myths and fairytales featured in our world-renowned British Pre Raphaelite collection. Following the tour, visit one of our art studios to create a colorful art project to take home with you and then relax with a delicious catered lunch in East Court, a contemporary museum setting.
